Retirement is something that we are all going to face. It's better to start sooner, rather than later. The Unifor Planning for your Future course covers all the topics you need to think about to prepare for the next phase of your life. A Service Canada representative provides an interactive presentation on the Canada Pension Plan and Old Age Security. There is a section on legal planning and a local community credit union representative offers basic financial information to assist with your retirement plan.

Open to all Unifor members - spouses and partners are invited and encouraged to attend.
