

# Bell Technical Solutions Bargaining Update #4

April 8, 2022

Sisters and Brothers,

Negotiations with the Company have continued in Montreal for the past two weeks, including through this past weekend.

Due to challenges related to Covid, discussions are advancing at a less than adequate pace; however, we are working hard to reach a negotiated agreement.

Your Committee will be traveling back and will continue to meet in Toronto next and will keep you informed of future developments.

Thank you for your continued support, it is of the utmost importance.

In Solidarity,

## **Ontario BTS Bargaining Committee**
