

Sisters and Brothers,

Ratification meetings will commence on Sunday May 24th 2026 and will continue via zoom until Friday May 29th.

Once again voting is being held online by Simply Voting, a third-party company that specializes in online voting and has been used by other bargaining units. Your vote result is confidential, what can be seen by Simply Voting is who has voted, not what was voted.

Your Bell Technical Solutions work email will be used to share the information for both the ratification meetings and voting. The company has agreed to allow us to use the company emails for this process. If you cannot access your Bell email, please contact Kristyn Westoby by email – Kristyn.westoby@unifor.org and provide your first name, last name, local and personal email – Please have this submission by no later than Thursday May 21st @ 11:00am or you will not receive your ballot.

You do not need to contact Kristyn with your personal email if you have access to your work email, only if you need to change to a personal email. The email list provided to Simply Voting will only be used to receive information about the ratification process and voting.
